OFFICE OF THE REVENUE COMMISSIONER

Bangalore 5th August 1921.

Dear Sir,

419
Mar 6 M-24

With reference to your Memo No.419 dated 27th July 1921 intimating the appointment of R. Thyagaraja Iyer, a clerk of my office, as the clerk-typist on Rs.40/- on the temporary establishment sanctioned for the office of the Special Officer, Mr. A. Mrutyunjaya Iyer, and requesting that the said official may be directed to report himself for duty to Mr. Mrityunjaya Iyer, I beg to state that I have understood to be a rule of etiquette that when a subordinate in an office is proposed to be taken to another office in a different Department, his official superior should be consulted before the transfer is ordered. In the present case, I beg to bring to the notice of Government that it has not been thought worth-while to show me the courtesy of consulting me about the temporary transfer of the official in question before it was ordered by Government.

This

This official is now employed as a Typist, and in view of the difficulty of finding a temporary substitute for him for a short period, I regret very much I am unable to spare his services, for his proposed temporary appointment. I may also add that the official himself is not willing to take up the appointment, as will be seen from the enclosed Memo submitted by him.

Yours sincerely,

T.E. Jayarama Iyer Esq., B.A., B.L.,
Muzrai Secretary to Government.

B a n g a l o r e,

6th August 1921.

Sir,

In Government Order No. 110-11/Muz.1618-20-4 dated 13th July 1921, the Government sanctioned a temporary establishment of 4 -- accountants to get through the special duty; one of them being R. Thyagaraja Iyer of the Revenue Commissioner's office - on a salary of Rs. 40/-

The Revenue Commissioner writes that he could not spare the services of R. Thyagaraja Iyer.

On practically going through the work of the special duty, I find that I have to fall back much on the records of your office - in the matter of tracing out several items of debits and credits - not found in the District and Taluk accounts - these being items mostly of transfer entries relating to State grants sanctioned and payments made for Muzrai works besides transactions relating to -- loans and advances from one Institution to another.

Luckily all the registers and credit statements of Muzrai funds required for reference are available in the records of your office. Considering the nature of the work done on these registers and statements, I dare say, you will agree with me that the work can be done with greater ease and accuracy by an accountant of your -- office than by any one foreign to your registers and system of -- accounts.

I shall be therefore much helped if you can kindly give me the services of a competent accountant who may attend to all the work that has to be done from the records of your office, leaving my --- accountants to go out and compile statements of Institution-war debits since 1905-6 (or even from 1900-1) first from the records available in the several Taluk and District Offices. For this purpose, I shall be glad to place the pay of Rs. 40/- sanctioned by Government at your disposal leaving it to you to appoint any accountant of your office for duty in connection with the special work of the determination of Muzrai Institution-war balances. If you will allow me,

the liberty of a suggestion in this respect, I would say that Vedamurti now working in Muzrai Section of your office will be best -- fitted for the special work. His work may be attended to by the new accountant on Rs. 40/-. In fact, the present Muzrai accountants Venkatachar and Vedamurti with the addition of the new accountant, may among themselves attend to the special duty work in addition to the routine work of your office.

By such an arrantement the accounts may be worked out with greater ease and expedition and the errors disclosed in the Ledgers may be finally rectified by suitable transfer entries, and after the work is brought to a close, the experience gained by the Muzrai -- accountants in this special duty will not go in vain.

I request the favour of a line as to your convenience in the matter, so that I may place the question before the Government for orders.

Yours sincerely,

To

Bishtopanth Badami, Esq., B.A.,
Offg. Comptroller to the Government

COMPTROLLER'S OFFICE.

Bangalore, dated 12th Aug. *192* 1

Dear Sir,

Ref:- Your letter of the 6th instant., requesting the services of a Muzrai Accountant of this office for special work in connection with the reconciliation of balances of the Muzrai Institutions and stating that a sum of R$40/- will be placed at my disposal for the entertainment of a new hand in this office.

I have to say that neither of the two accountants of my office now working in the Muzrai Section can be conveniently spared for this special work without serious dislocation of the work of the section. Nor perhaps will the services of an absolutely new and inexperienced hand alone be of any material help to you in carrying out the programme of your work effectively. A good arrangement would be in my opinion to entertain a new hand whole time on R$30/- or 40/- for the special work and obtain the assistance of the two experienced accountants of the Muzrai Section of my office

office. By this arrangement of course the latter will have to work extra hours for which they ought to get some additional remuneration. If you are agreeable to the arrangement, a sum of Rs.60/- may be placed at my disposal for giving effect to it.

Yours sincerely,
